- * Do Adventist Schools Provide As Complete An Education As Other Public Or Private Schools? Every Adventist school is accredited by a state or national accrediting body, which is the highest symbol of quality for a private school. In addition, our local Office of Education operates its comprehensive accreditation process to maintain a high standard of excellence in their Adventist schools. An ongoing NAD study finds, that on average, Adventist schools are better places to learn than any other.Need to know more, please contact Juliebee Roberts / jolly12bee@outlook.com / (520) 432-9186.
- * Box Tops for Education: We can help the school with what we normally do. Another way to earn money for our school by using the Box Tops app it's an easy way to make a difference. Use the link below to download the app: https://btfe.smart.link/c2jjdifkw?referral_code=XZEU9W1H.
