In our "Parents As Partners" series, we are sharing program standards for parental involvement, including opportunities for parents to participate in the classroom. We offer multiple opportunities for parents to be involved in their child's classroom and encourage parents to get to know their child's teacher and the learning space. Parents can enrich and broaden students' experiences by sharing their culture, special skills, and interests in the classroom. Learn more about the partnership difference in your student's education. Schedule a visit or call us today, Julibee Roberts / jolly12bee@outlook.com / (520) 483-8027.
