 * **Whole Brain Learning:** Allows for every learner to have opportunities for visual, auditory, kinetic, tactile learning throughout the program. Learning is engaging, independent, cooperative, individualized, and systematic. The education process includes individualized instruction, the use of technology, and study tours outside the classroom to benefit the learner. Whole brain learning is one of those little things that differentiates Cochise SDA Christian School from other educational institutions. If you know someone who is seeking a quality education, please contact Juliebee Roberts / jolly12bee@outlook.com / (520) 432-9186.
